

Rebuilt Hydraulic Swivels

REBUILT PARTS

JLG Aftermarket Parts offers an extensive line of rebuild programs. All rebuild programs are JLG approved and have a specified warranty period. The JLG Swivel Rebuild Program provides a Rebuilt Swivel supplied by the original manufacturer to ensure the highest level of quality and to ensure safety.

Features and Benefits:

- One-year warranty
- Lower cost alternative
- Eliminates labor intense rework process
- Simple ordering procedure
- Order with standard parts order

Rebuild Process:

- Disassemble unit
- Wash and clean all components
- Inspect all core components
- Reassemble unit with new seal kit and other parts if needed
- Machine test to ensure quality
